NEW ROMANCE CONCIERGES ARE AT THE HEART OF THE CARIBBEAN'S NO. 1 HOTEL FOR ROMANCE

EAGLE BEACH, Aruba— October 18, 2017— [Bucuti & Tara Beach Resort](#) has added romance concierges to its much-heralded guest service staff. Providing turnkey service from the time of reservations to check-out, the popular Aruba resort is helping couples decrease their planning time and increase their time with one another.

Shining on Eagle Beach as [TripAdvisor's No. 1 Hotel for Romance in the Caribbean](#) for the second year in a row, Bucuti & Tara's new romance concierges connect with couples long before they arrive. They receive an introduction email from their personal romance concierge and planning begins whether it is for a romantic beach dinner or a customized itinerary for their visit to this adults-only enclave. Upon arrival, couples are greeted by their designated romance concierge who is at their service throughout their stay.

"In a busy world, couples are often pressed just to make reservations for vacation. That's where Bucuti & Tara's romance concierges step in, plan the details and let the couple simply experience magic moments they'll treasure forever," says Ewald Biemans, owner and CEO of Bucuti & Tara Beach Resort.

“On any given day, couples from around the world stay at Bucuti & Tara and our romance concierges take our already stunning setting and help make it blissfully romantic for them.”

Adding an extra flourish to a couple’s stay, Bucuti & Tara’s romance concierge can arrange for relaxing, private moments all the way to extreme adventures. On-property experiences can be as seamlessly created as customized off-property fun. A couple’s spa treatment can become an oceanfront massage for two. Exploring the island can become an off-road and off-the-beaten-path adventure to private lookout points and secluded beaches. Couples can take up a new water sport together or take to the air for a mesmerizing helicopter tour of Aruba. Moonlit hikes along the cliffs of Arikok National Park, sizzling salsa lessons at local dance studios, making one-of-a-kind glass jewelry together and even setting hearts aflutter with an arranged tour of the island butterfly farm are just some of the many customized experiences Bucuti & Tara’s romance concierges can arrange. Their sole job is to make sure couples enjoy the heart and soul of their Bucuti & Tara vacation together.

From the jittery guest trying to create the perfect proposal to the “been there, done that” duo on the quest for unique adventure, Bucuti & Tara’s romance concierges come to know their guests and discover what a couple sparks to on their Aruba vacation.
