# Honeymoon like a Rockstar VIP arrival

## VIP Airport arrival:

Your honeymoon begins the moment you step off the plane as you are immediately welcomed by your 'handlers' and whisked through airport security to the VIP 'green room' where you will be toasted and celebrated with a glass of champagne before receiving your luggage and proceeding to the front of the immigration and customs areas where your team quickly ushers you through to your luxurious black car complete with a "Just Married" decoration. Five miles later you will be welcomed at the curb by your Bucuti & Tara Romance Concierge who will escort you to our Champagne reception area where you will receive a cold towel and a chilled flute of Champagne to enjoy while you bypass the check-in area and are briefed about the resort and all the pleasures that await on award winning Eagle Beach at Bucuti & Tara as you are guided to your suite sanctuary.
