## **BUCUTI & TARA BEACH RESORT WINS 2018 TRIP EXPERT AWARDS**

EAGLE BEACH, Aruba – February 28, 2018 – Bucuti & Tara Beach Resort is the proud recipient of two 2018 TripExpert Experts’ Choice Awards. The resort is recognized worldwide as well as with the TripExpert’s Best of Aruba award.

This year’s winners for the world’s best hotels are based on over 1 million reviews from 85 different publications. Winning venues span 124 countries, and fewer than 2% of hotels worldwide receive this award.

Unlike other awards, Experts’ Choice solely considers expert reviews in travel guides, magazines, newspapers and other respected sources. With accolades from reviews like *Condé Nast Traveler* and *Lonely Planet*, this is the only award that aggregates the advice of professional travel writers.

Bucuti & Tara’s long-standing commitment to guest satisfaction is evident in its years of recognition through many awards, compelling media stories and endorsements from travel agents. TripExpert provides both guests and travel agents with a resource to identify critically acclaimed hotels allowing them to make a more informed choice for their vacation plans.

This news comes after last month’s major 2018 awards announcement from the world’s largest traveler review site, TripAdvisor. For the second year, Bucuti & Tara was named in the Top 25 Hotels for Romance in the World and for the third straight year it was named the No. 1 Hotel for Romance in the Caribbean. Guest-driven TripAdvisor coupled with the new TripExpert Awards provides both guest and travel professional endorsement of Bucuti & Tara.
