Aruban Hospitality Shines as Travel + Leisure Names Bucuti & Tara Among the World's Best Adults-Only Hotels

EAGLE BEACH, Aruba – 16 September 2026 — [Bucuti & Tara Beach Resort](#) has been named among the 13 best adults-only hotels in the world by Travel + Leisure, bringing international recognition to the locally owned resort and the Aruban hospitality behind its guest experience.

As one of the world's best-known travel publications, Travel + Leisure helps millions of travelers discover destinations and choose where to spend their holidays. Inclusion in this select list brings Aruba to the attention of readers around the globe, highlighting the exceptional experiences our island and its people have to offer.

For Bucuti & Tara, this moment reflects a story that began on Eagle Beach in 1987: creating a peaceful place where couples have time for each other. Here, mornings unfold slowly over breakfast, the rhythm of the sea sets the pace, and an afternoon needs no plans. Through restful days, thoughtful wellness experiences and quiet moments of romance, guests rediscover the ease of being together.

When curiosity takes them beyond the resort, the team helps them discover Aruba through its people, local flavors and natural beauty, encouraging experiences that respect our island and support our community. Whether enjoying the simple pleasure of doing nothing or exploring a place through the people who know it best, guests find a deeper connection to each other and to Aruba.

Behind each unhurried day is a team attending to the details, allowing guests to truly rest. Over the years, returning couples become familiar faces, welcomed by associates who remember their stories. A shared laugh, a favorite island recommendation, or an anniversary thoughtfully remembered creates a connection that lasts beyond the holiday.

"To be recognized among the world's best is especially meaningful as an independent resort whose story is rooted here in Aruba," said Crescenzia Biemans, Managing Director of Bucuti & Tara Beach Resort. "We have always believed that exceptional hospitality begins with genuine care, for the guests we welcome, the people who make it possible, and the island we share. Our team brings that belief to life in their own personal way, with the warmth that makes Aruba feel like home. This recognition makes us deeply proud of what we have built together and of the authentic Aruban hospitality at its heart."

Bucuti & Tara shares this honor with its associates, loyal guests, and local partners, whose dedication and support have shaped its story for nearly four decades. A heartfelt masha danki to everyone who continues to make this small corner of Eagle Beach a place that people around the world hold close.
